

Name Change for the Third Party Assessor

Effective May 2, 2019, New Mexico Medicaid's Third Party Assessor and Utilization Review (TPA/UR) contractor, Qualis Health, began the process of changing their company name to **Comagine Health**.

The new name and logo below will appear on all correspondence letters and notifications sent by the TPA. The current website and email addresses will remain active and unchanged, however, in the near future, you may be redirected to the new Comagine website and email. The redirection will be in place for the remainder of the year to ensure a seamless transition.

The TPA's staff, phone numbers, fax numbers, and provider portal will not be impacted and will remain the same.

If you have questions about the name change, please contact Comagine Health New Mexico at 505-217-7689 or visit the <http://www.qualishealth.org/> for additional updates.

2020 Mi Via Waiver Renewal Town Hall Meetings!

DDSD and HSD will be hosting a series of Town Hall meetings during the months of May 2019 through July 2019 across the state. The purpose of these meetings is to provide information and to receive comment on the proposed Home and Community Based Services (HCBS) Medicaid Mi Via Waiver renewal. The Mi Via Waiver is NM's self-directed waiver.

Please see the attached schedule for locations and times in your area. This is an opportunity to hear the presentation from DDSD and HSD and to provide comment/feedback on the self-directed waiver renewal.

Reminder: Requirement to Submit Mi Via Mileage Online

Employee mileage reimbursement requests were required to be entered in FOCosOnline effective April 1, 2019. Employee mileage submitted to Conduent by fax may result in delayed mileage reimbursement for your employees. This change further improves Mi Via employee payment by reducing the number of faxes that are lost, do not go through, or are illegible. The FOCos system also has built in quality checks that will prevent mileage request errors such as incorrectly dated forms or forms in which the employee signature date is after that of the EOR.

Electronic Visit Verification (EVV)

EVV is a telephone and computer-based system that electronically verifies that caregiver visits occur and documents the time the service begins and ends. EVV is a requirement of the 21st Century Cures Act, a United States law enacted by Congress in December of 2016. The 21st Century Cures Act requires EVV for all Medicaid financed Personal Care Services. Personal Care Services are defined as those services which provide assistance with Activities of Daily Living (ADLs) and Instrumental Activities of Daily Living (IADLs).

Medical Assistance Division (MAD) and the Developmental Disabilities Supports Division (DDSD) are working collaboratively to ensure New Mexico meets this federal requirement and implements EVV in a manner that supports self-direction by January 1, 2020. We envision an EVV system that is flexible and adaptable to changes in employee schedules, accommodates limited internet access, is mobile, and is user-friendly and intuitive to use. As MAD and DDSD move forward in implementation of EVV additional information including timelines, training opportunities, and implementation date will be shared in the Mi Via Newsletter and in direct mailings to participants.
