Reminder: Timely-Filing Requirements

Please remember that EORs have an important role in ensuring Mi Via participants’ employees and vendors are paid for services provided. It is important that EORs approve employee timesheets, mileage reimbursement requests, and Payment Request Forms (PRFs) timely. **All billing including employee timesheets, mileage reimbursement requests, and Payment Request Forms (PRFs) must be submitted within 90 days of the date of service in accordance with Medicaid billing requirements.** Initial billing submitted past 90 days from the date of service will not be paid and a Return-to-Participant (RTP) notice will be issued. Initial billing that is submitted within 90 days from the date of service and requires correction may be re-submitted within 90 days of the RTP date.

Signing Employee and Vendor Agreements

The Employer of Record (EOR), or authorized signer if the participant has only vendors and has selected not to have an EOR, must not sign Employee and Vendor Agreements prior to the employee or vendor signing the form. When an EOR, or authorized signer, signs the Employee or Vendor Agreement they are attesting that the information provided on the form is accurate, specifically the service(s) to be provided and the rate(s).

Electronic Visit Verification (EVV)

EVV is a telephone and computer-based system that electronically verifies that caregiver visits occur and documents the time the service begins and ends. EVV is a requirement of the 21st Century Cures Act, a United States law enacted by Congress in December of 2016. The 21st Century Cures Act requires EVV for all Medicaid financed Personal Care Services. Personal Care Services are defined as those services which provide assistance with Activities of Daily Living (ADLs) and Instrumental Activities of Daily Living (IADLs).

Medical Assistance Division (MAD) and the Developmental Disabilities Supports Division (DDSD) are working collaboratively to ensure New Mexico meets this federal requirement and implements EVV in a manner that supports self-direction. We envision an EVV system that is flexible and adaptable to changes in employee schedules, accommodates limited internet access, is mobile, and is user-friendly and intuitive to use. As MAD and DDSD move forward in implementation of EVV additional information including timelines, training opportunities, and implementation date will be shared in the Mi Via Newsletter and in direct mailings to participants.

Have You Moved?

The Mi Via Program issues many important mailings throughout the year including documents related to your Level of Care and Recertification. If you have moved, or need to update your physical or mailing address, you must do so with the Income Support Division (ISD). You may select one of the options below to update your address. **Effective immediately Conduent will no longer accept address updates.**

1. YESNM Portal: <https://www.yes.state.nm.us>
 - If you have a username and password for YesNM simply sign into your account.
 - If you have not yet set up an account you may create a username and password by selecting "Create an Account".
 - ◊ Once you have logged in select "Check my Benefits" to update your address information
2. Go in person to your local ISD office
3. Fax the following information to CASA at 855-804-8960
 - Case Number
 - Participant/Medicaid Recipient's Full Complete Name
