Email Updates Needed for EORs and Employees

It is important that Conduent and Palco have accurate information. One critical piece of information is your EOR and employee e-mail address. Your e-mail address will be used for:

Communication / notification from Palco or Conduent for timesheets and program communication. These e-mail notifications will help you ensure timesheets are correct and payments will be on time.

Personal login ID for Palco Connect system. Each person (user) is required to have their own unique login ID for the Palco CONNECT system. For example, an Employees and EORs **cannot share the same** e-mail address.

If you are an Employee or an EOR and you are not sure if your correct e-mail address is in the FOCoS system, please contact the Consolidated Customer Service Center (CCSC) at 800-283-4465 to update your e-mail address by phone. You may also update your email address by emailing a [change of Information form](#) to Conduent at docprocessing@conduent.com. All information MUST be updated in FOCoS as soon as possible.

Updates from the Department of Health

1. Revised Mi Via Service Standards will be issued in June and effective July 1, 2022.
2. Mi Via trainings will be available July 1, 2022. Be on the lookout!
3. Consultants have resumed face-to-face home visits. DDSD staff have also begun conducting home visits throughout the state. If you are not comfortable having face-to-face visits, let DDSD or your Consultant know to ask for an exception.
4. The next Mi Via Advisory Committee meeting is July 28th, 2022. If you would like to attend and need the link, email:

Service Highlight: Individual Directed Goods and Services

Individual Directed Goods and Services is a service that lets a Mi Via participant purchase a good or service that they need. These are equipment, supplies, or services. The good or service requested must be related to the participant's disability, promote personal safety and health; and helps the participant gain greater independence and/or help them with activities of daily living. Please read the Service Standards for more details of what type of services you can ask for. There is also a list of services and goods that will not be covered by the Mi Via Waiver program. Goods and services that will not be covered are items that a person living without a disability would have to pay for themselves such as feminine hygiene products (maxi pads or period panties), gaming computer, cell phone for another person. Work with your consultant when developing this goal on choosing the services and goods allowed through Mi Via.

In-Home Assessments

The Third-Party Assessor (TPA), Comagine Health, reviews your Level of Care (LOC). The LOC is REQUIRED to get and keep waiver services. Without a complete LOC, waiver services will end.

The In-Home Assessment is required as part of the LOC assessment. We are allowed to do virtual In-Home Assessments during COVID-19. After the Public Health Emergency is over, we will have to go back to in person In-Home Assessments. Goodwill Industries completed the assessments. The TPA staff are now helping Goodwill complete the assessments virtually. The In-Home Assessment takes about two (2) hours to complete.

Someone from Comagine Health or Goodwill Industries will call you to schedule the virtual In-Home Assessment. They will call to schedule the virtual In-Home Assessment for LOC's that will be expiring soon and for new Mi Via participants. Virtual In-Home Assessments are available Monday through Friday and on weekends. Virtual In-Home Assessments are also available after 5:00 pm Monday through Friday. Comagine and Goodwill have been calling to schedule assessments and have left voicemails for families that did not answer our calls. Please make sure to check your voicemails and return the call so that we can complete the virtual In-Home Assessment.

If your LOC is expiring in the next ninety (90) days and you have not received a phone call from us, please call us at 1-866-962-2180 or 505-217-7680 so that we can schedule your virtual In-Home Assessment.

New Mi Via participants can call us on the numbers above to schedule the virtual In-Home Assessment if you have not received a call from us.

When calling, please have a couple of dates and times that you are available. If we do not answer, please leave a message, and include the dates and times that you prefer. We will call you back within twenty-four (24) hours.

Once the virtual In-Home Assessment has been scheduled, you will receive an email with the Zoom information. If the Zoom information is not received, please call the number above so that it can be resent to you. Zoom instructions are found at <https://www.nmhealth.org/about/ddsd/pgsv/sdw/publications/>

Participants: Please share your talent

Are you an artist, a poet a storyteller or have a talent you would like to share? Please submit pictures of your original artwork, short stories, or poems to be featured in an upcoming Mi Via Newsletter. Submissions can be sent to: Rachel.gonzales@state.nm.us
